

Chubb Global Casualty

Chubb Global Casualty combines Chubb's vast resources, expertise, and capabilities to deliver exceptional risk management solutions for U.S. multinational companies of all sizes.

CHUBB®

Designed to meet insureds' complex needs worldwide

By offering a wide range of unique casualty insurance and risk financing products and services, Chubb Global Casualty can respond to the needs of mid-to-large U.S. companies in most industries. Our dedicated underwriting teams have the depth and breadth of experience and expertise to help our clients design customized programs that effectively manage their risk globally.

Superior service delivery

Chubb Global Casualty enhances global accounts servicing by using an integrated approach – bringing together professionals in domestic and international underwriting, claims, actuarial, legal, and credit – to provide a full array of U.S. and global primary casualty products. Our expertise and worldwide resources enable our clients to easily and effectively manage their complex global risks.

Creative solutions

In providing our clients with a single source for specialized insurance products, Chubb Global Casualty addresses their domestic as well as their international risks. We develop creative, customized solutions that meet the diverse needs of large, complex multinational clients, as well as smaller, growing clients, interested in broadening their reach in new jurisdictions around the world.

Technology that drives value

Worldview®, our interactive internet-based portal and the winner of the Business Insurance 2020 Innovation Award, is designed to make complex programs less complex. This platform features an easy-to-navigate web portal which gives clients and their brokers real-time, transparent access to policy and program information – along with the tools to manage large, complex programs. Exclusive to Chubb, this innovative technology empowers users, giving them greater program control.
