4. The amount of the Premium Discount Offer is non-transferable and cannot be redeemed for cash. If the Eligible Policy(ies) is cancelled during the cooling-off period, the policyowner will receive the actual amount of premium paid and levy (if any) only.
5. The Premium Discount Offer is not eligible to applicant(s) who has submitted application(s) of **Forever Diamond II** policy(ies) before or within the Promotion Period but later on withdraw the application(s) or cancel his / her **Forever Diamond II** policy(ies) during the cooling-off period, and then re-apply for the same product during the Promotion Period.
6. Unless otherwise expressly agreed by Chubb Life in writing, the Premium Discount Offer cannot be used in conjunction with any other promotion(s) offered by Chubb Life, save and except the Prepayment Offer (please refer to the terms and conditions below).

Prepayment Offer

7. The prepayment offer ("Prepayment Offer") is only applicable to the application(s) of **Forever Diamond II** (2-year or 5-year premium payment term) signed and submitted to Chubb Life between 1 January 2025 and 31 March 2025 (both dates inclusive) and the policy(ies) of the successful application(s) must be issued by Chubb Life on or before 30 April 2025. Premium payment term	Current Prepayment Interest Rate on the Prepaid Amount
2-year	4% p.a.
5-year	

8. You must pay the 1st year and 2nd year premiums (2-year payment term with annual premium payment mode) or the 1st year to 5th year premiums (5-year payment term with annual premium payment mode) in full together with the insurance levy in a lump sum, as stated in "Illustration of Premiums and Insurance Levy Prepayment" upon policy application. The Prepaid Amount will be first used to pay the first-year premium and insurance levy and the relevant premium and insurance levy for the remaining years, if applicable. The balance will be deposited into your interest bearing premium on deposit account (the "POD Account"). Interest calculated at an interest rate, which is not guaranteed and subject to change by the Company from time to time, will be credited to the POD Account. The current interest rate is 4% per annum and interest is compounded annually. While there is sufficient balance in the POD Account, future premiums and future insurance levy payable under the policy will be deducted from the POD Account when due. Otherwise, additional out-of-pocket premium payments will need to be made to keep the policy in force.
9. The Prepayment Interest Rate is not guaranteed and we reserve the right to change it from time to time.
10. We will refund to you or your estate, as the case may be, if there is any excess amount in the POD Account (after deduction of all withdrawal charges, if applicable) at the time the policy is cancelled, surrendered, terminated or paid-up, whichever is the earliest.
11. For full terms and conditions of the premiums and insurance levy prepayment, please refer to the "Illustration of Premiums and Insurance Levy Prepayment".
